

1. Purchase of vehicle

2. Receipt of documents

Vehicle invoice, collection authority and transport order are sent by email.

3. Payment of vehicle invoice

The vehicle invoice must be paid immediately after receiving it.

4. Return of collection authority

Send the completed and signed collection authority back to:
bcaextern.de@bca.com (online purchase) or BCA location (on-site purchase)

Important: If you wish a transport by BCA, the box representative/carrier has to be filled in with "BCA Transport Germany". All collections must take place by a carrier.

5. Car release document

The car release document (Abholschein) and all relevant information (location etc.) are sent by email.

Important: The release document (Abholschein) is required for the collection of the vehicle.

6. Transport/ collection

The collection and transport of your vehicle can be done by a third-party logistics company of your choice or by BCA.

Organize your own transport by logistics company

The vehicle is transported by a third-party logistics company of your choice.

Important: The BCA location has to be informed at least 24h before the collection. The car release document (Abholschein) and collection authority must be submitted on collection.

Transport by BCA

Send the completed transport order and car release document (Abholschein) to: eu.transport.de@bca.com

Important: The transport by BCA is valid for running vehicles at specific BCA collection-/ delivery locations only. Information about the locations can be found in our BCA transport fee calculator.

Receive mail with transport confirmation

You receive the confirmation of your transport by email.

Receive the transport invoice

You receive the transport invoice by email/post.

Payment of transport invoice

7. Delivery of vehicle + CMR

After receiving your vehicle with CMR, the completed CMR and confirmation of delivery must be signed & sent back to BCA: Fahrzeugempfang.de@bca.com

8. Vehicle documents

The vehicle documents are sent by Express Delivery.

Step 4:

In the last step you see a general survey of your registered data.

Please enter your contact details.

For the obligatory transport commissioning, please click on "Complete this transport".

You will receive a transport confirmation by e-mail after receipt and sighting of your received data.

Your collection place isn't shown on the transport calculator?

Please note that the transport calculator cannot be used for the following places: Mönchengladbach, Weeze, Biebesheim a. R., Überherrn, Etzin/Ketzin, Knaut-naundorf, Wiedemar, Eitting, Kippenheim, Kirchheim unter Teck und Wolnzach.

For transportation from these places, please send us a transport enquiry by email **with the following details: VIN, vehicle brand, vehicle model, auction, delivery location** to transporte.service.de@bca.com.

Furthermore the possibility passes the transportation order form handing in to physical auctions directly in the auction center.
